FLEMINGSBURG, Ky. – The Kentucky Transportation Cabinet has announced that Rowan County will receive \$17,100 in County Road Aid emergency funds.

The funding includes \$3,500 for drainage structure repairs on Pond Lick Road and \$13,600 for slide repairs on Bratton Branch Road. The repairs will make the routes safer for cars, school buses and other vehicles.

“These emergency funds are being used to repair roadways and to improve safety and mobility in Rowan County,” said Transportation Secretary Mike Hancock. “This project is one example of the cabinet’s commitment to providing a solid infrastructure in Rowan County and all across the commonwealth.”

The Rowan County Fiscal County is responsible for administering the work.
